

2026 New Zealand Skin Cancer Summit

Thursday 18 to Saturday 20 June 2026
InterContinental, Wellington

DRAFT Programme

Equity in Action: Bridging gaps for skin cancer

Thursday 18 June 2026

Optional pre-Summit workshops

9.00 am – 12.30 pm	Skin Surgery Masterclass <i>Presenters:</i> Dr Susan Seifried – General and Endoscopic Surgeon, Nelson Marlborough Hospital Mr Dan Butler – Plastic and Reconstructive Surgeon, Tauranga Hospital Dr Marc Lawrence – Consultant Dermatologist, MOHs Surgeon This Masterclass aims to increase your confidence in performing more advanced surgical techniques which can be accomplished in a primary care setting. Targeted at General Practitioners and other healthcare professionals who are confident with common surgical procedures and would like to upskill to the next level, this interactive workshop will explore: • Lower limb: surgical pearls with a focus on keystone flaps • Ear reconstruction and grafts: techniques and best practices • Scalp closures: tips and tricks with a focus on flap geometry Important Note: This workshop is theoretical in nature; no hands-on surgery will be conducted during the session.
--------------------	---

1.30 – 4.30 pm	Advanced Dermoscopy Masterclass <i>Presenters:</i> Professor Cliff Rosendahl Honorary Professor Amanda Oakley, Dermatologist This Masterclass is designed to deepen your understanding of dermoscopy and refine your skills in diagnosing complex skin lesions with greater accuracy. Through a blend of advanced theory and practical case studies, this interactive workshop will elevate your diagnostic abilities.
10.00 am – 4.00 pm	Skin cancer prevention workshop <i>Details TBC</i>
